

## **CHESTER A. ROUSH EDUCATIONAL HALL OF FAME Nomination Criteria**

In 1975, the Kettering Board of Education established the Hall of Fame to place in perpetuity for remembrance and inspiration those who follow the example of the life and career of Chester A. Roush, distinguished educator.

This school district and this community are genuinely indebted to Mr. Roush for the legacy of distinguished service both to the boys and girls and to the men and women whose lives he has helped to shape. To commemorate these high ideals that characterize his life and career, up to three individuals, who have distinguished themselves in their contribution to education in the Kettering City Schools community, will be selected annually and appropriately honored.

### **Nomination and Selection**

A Chester A. Roush Hall of Fame Nomination Form is to be used to nominate candidates to be considered for induction into the hall of fame. The nominator may include letters from others who have personal knowledge of the candidate's contribution to education. Please note that petition-type “group letters” signed by multiple individuals cannot be considered. Nomination form, supporting data, and letters should be typewritten.

Information provided should illustrate specific ways in which the nominee has contributed to education in the Kettering City Schools community. Examples of situations or events would be helpful. Please note that any letters provided on the nominee's behalf should be written by persons who have personal knowledge of the candidate's contribution to education.

Nominees should have retired from the Kettering City School District. The Selection Panel may choose to waive this criterion for a person from the community. Candidates may be nominated posthumously.

The Selection Panel can include the superintendent, board members, the mayors (or representatives) from the cities of Kettering and Moraine, and representatives from the business community and faith-based and service organizations.

A nomination form can be downloaded from the district's website, under “Forms & Links.”

**Nomination forms and letters should be sent to the Community Relations Office, Kettering City Schools, 580 Lincoln Park Blvd., Suite 105, Kettering, Ohio 45429. The deadline to nominate an individual for the Hall of Fame is the third Friday in March. For additional information, please contact the Community Relations Office at 499-1458.**

Induction ceremonies will be held in May.

A plaque will be presented to the recipient, and a duplicate plaque will be hung in the Roush Hall of Fame display, located in the lobby of Kettering Fairmont High School.
