

Future Firebirds

Select Basketball 2nd* - 6th grades

2020-2021 Season

* 2nd grade boys will have a team and 2nd grade girls may try out for 3rd grade girls teams

Kettering Basketball Club (Future Firebirds) is a non-profit organization for both boys and girls who attend Fairmont feeder schools** and who want to play youth basketball on a competitive level. Organizations such as this are more commonly known as "Select" Basketball Clubs because there is a tryout process that a player must go through in order to be selected for a team. There will be one or two teams per grade for both boys and girls depending on numbers of players and coaches.

**exceptions may be made for returning players and for teams with less than full rosters

Tryouts: There is no charge for open gyms or tryouts **but you must register online to participate**

Cost: \$200 per player* (Payment plans are available. Includes reversible jersey, shooting shirt & shorts to keep)

**We will likely do the same fundraiser as last year so all of your fees can be fundraised*

When: **Open gyms are starting 1 Oct this year**, tryouts mid-Oct. League games should start in late November-early December and end in late February with a season ending tournament to follow.

We are following some new rules this year in order to make things possible. They are as simple as possible and as close to a normal experience for players and coaches as possible. **Please follow these rules, they must be strictly enforced.**

- Online registration in advance will include one-click check in for parents so that they can drop off at the door and indicate that their child has arrived rather than entering facility – **no one other than the player should enter the facility and players must stay in the gym at all times** (there are restrooms in or adjacent to the gym in each location).

What to expect:

- **Register online at our website once before attending any events**
 - o Make sure you include a valid email address and at least a cell phone number for Mom or Dad
- You will receive an email with date/time/location of the next event (open gym/tryout) for your child
- The email will contain one link for you to tell us that your child intends to come to that event
- The email will also have a link that you click when you pull up to drop them off
 - o That click signs them in and we will contact you if we do not receive them
 - o We will be doing a touchless temperature scan upon entry and contacting you if issues
 - o Players will use hand sanitizer upon entry and exit
 - o Pick them up at the end of practice just like you would pick them up from school
- Once registered, you will get emails telling you what the next event will be – just repeat the process
